Foreword

Teacher's student group 1 prepared this book so that Grade 1 students can use it for their studies with feel happy. With both words and pictures, this book will encourage students to enjoy learning and make studying easier.

Studying the English language makes it easy for you to communicate with people around the world, and it allows you to share the wonders of Cambodia with them . We hope this book can provide knowledge that students and readers can use in the future.

Finally, we wish all students success in their studies and the ability to use the English language in practical ways. We thankful to all those for the good feedback for us to improve further.
